### Workers' Compensation Web site and Forms Have Been Updated

This is a reminder that the Workers' Compensation Program has been relocated to Human Resources (HR), Administration Building, Room 110. Employees must immediately report all work related injuries/illnesses to their supervisor. No later than 24 hours of knowledge of employee injury, supervisors must (1) notify HR by completing a newly consolidated and revised form titled, "Work Related Injury/Illness Form," and (2) provide Claim Form DWC 1 to the injured employee. The updated Workers' Compensation packet can be accessed on the Human Resources Web site at <http://www.afd.calpoly.edu/hr/workerscomp.asp?pid=6>.

If an injury/illness requires medical treatment, all initial treatment is handled at MED STOP and after MED STOP hours, Sierra Vista Emergency Room. These facilities must be used unless an employee has a pre-designation of personal physician/chiropractor form on file with the Workers' Compensation Analyst in Human Resources prior to an injury. Pre-designation forms can be found on the Human Resources Forms Web page.

Questions can be directed to Debbie Rice, Workers' Compensation analyst, ext. 6-5427 or [dlrice@calpoly.edu](mailto:dlrice@calpoly.edu).
